**\*\*Housing Options** - The CASMEC All-State Leadership is requesting parent / student preferences for housing to help the team plan for the 2022 event. Your students will need to provide you with their choice. You will need to enter this information before you can submit your student's audition. We understand that information regarding COVID-19 protocols change regularly, but we need this information for contracting facilities for the event. The choice is editable until the audition is submitted. **Unfortunately, you will not be able to change the selection after the audition is submitted.**

1. **Self-Housed:** If accepted to All-State, I will provide my own housing, meals outside of the rehearsal times, transportation to and from rehearsals/hotels/concerts, and chaperone during the entire event, understanding that these expenses are my responsibility, in addition to the All-State participation fee.
2. **CASMEC Housed:** If accepted to All-State, I will be under the care of CASMEC, which includes housing, meals, chaperone, and transportation during the event. I will stay in the room block provided by CASMEC, understanding that everyone is required to be vaccinated and I will be placed in a room with 3 other students. I also understand that paying the cost of this option, which includes the All-State participation fee, is my responsibility. Housing is limited.

Fees will be posted soon on this page <https://cbda.org/all-state-ensembles/faq/>, and on <https://casmec.org>.

**These housing options are for the 2022 event only. For 2023 and beyond, we will return to the previous CASMEC only housing format.**
